INFORMATION FOR PROPERTY TAX HOMESTEAD EXCLUSION FOR ELDERLY OR DISABLED AND CIRCUIT BREAKER DEFERMENT

General Statute 105-277.1 Property Tax Homestead Exclusion For Elderly Or Disabled Persons - North Carolina excludes from property taxes a portion of the appraised value of a permanent residence owned and occupied by North Carolina residents who are at least 65 years of age or are totally and permanently disabled, on January 1, 2017, and whose income does not exceed \$29,500. The amount of the appraised value of the residence that may be excluded from taxation is the greater of twenty-five thousand dollars (\$25,000) or fifty percent (50%) of the appraised value of the residence. Income means all moneys received from every source other than gifts or inheritances received from a spouse, lineal ancestor, or lineal descendant.

If you received this exclusion last year, you do not need to apply again unless you have changed your permanent residence. If you received the exclusion last year but the property no longer qualifies for any reason, please notify the assessor. Failure to notify the assessor that the property no longer qualifies for the exclusion may cause the property to be subject to discovery with penalties and interest pursuant to G.S. 105-312.

If you did not receive the exclusion last year, but are now eligible, you may obtain an application from the county tax department. It must be filed with the county assessor by June 1.

General Statute 105-277.1B Property Tax Homestead Circuit Breaker Deferment - North Carolina defers a portion of the property taxes on the appraised value of a permanent residence owned and occupied by a North Carolina resident who has owned and occupied the property at least five years, is at least 65 years of age or is totally and permanently disabled, and whose income does not exceed \$29,500. If the owner's income is \$29,500 or less, then the portion of property taxes imposed on the residence that exceeds 4% of the owner's income may be deferred. If the owner's income is more than \$29,500 but less than or equal to \$44,250, then the portion of the property taxes on the residence that exceeds 5% of the owner's income may be deferred.

The deferred taxes become a lien on the residence and the most recent three years of deferred taxes preceding a disqualifying event become due with interest upon one of the following disqualifying events: 1) the owner transfers the residence; 2) the owner dies; or 3) the owner ceases to use the property as a permanent residence. Multiple owners of a permanent residence must all qualify for the circuit breaker before a deferment of taxes will be allowed.

You must apply for the opportunity to defer property taxes each and every year that you wish to defer taxes. The application may be obtained from the county tax department and it must be filed with the county assessor by June 1.

Note: An owner who qualifies for both the property tax homestead exclusion and the property tax homestead circuit breaker may elect to take only one of these forms of property tax relief.

IMPORTANT! AVOID A 10% PENALTY BY COMPLETING, SIGNING AND RETURNING THIS LISTING NO LATER THAN JANUARY 31, 2017.
